

Application for access to your personal data held on the Police National Computer (PNC) or Metropolitan Police Service (MPS) information systems

Section 7(1)(a) & 7(1)(b)(i) & 7(1)(c)(i) of the Data Protection Act 1998 (Subject Access)

Your Subject Access Rights

Subject to certain exemptions, you have a right to be told whether the Metropolitan Police Service (MPS) holds any information about you (your 'personal data') and a right to be provided with a copy of that personal data within a 40 day period. Please allow an additional week for postage.

If you wish to exercise those rights please complete this form carefully and follow the instructions regarding the £10 fee, proof of identity, and ways to return the form to the MPS. Under the Data Protection Act the MPS may, in certain circumstances, decide not to provide you with some personal data. For example, we will not provide personal data if we feel releasing it to you would be likely to prejudice policing purposes, and we may not provide you with information that identifies other individuals.

Visas for Australia, Canada, New Zealand, South Africa and United States of America

If you require a police check in order to obtain a visa for one of the above countries, please DO NOT complete this form. Individuals are now required to obtain an ACRO (Association of Chief Police Officers Criminal Records Office) police certificate. ACRO offer two services, standard and fast track service designed for those wishing to obtain a Visa quickly. The turnaround time from successful receipt of the application to dispatch of the certificate is ten and two working days respectively. The standard fee is £35 and the fast track fee is £70.

To obtain an application please go to the ACRO website at www.acpo.police.uk/certificates.asp or telephone 0845 6013 999.

Requests for Information for Employment Purposes

The MPS does not provide PNC (Police National Computer) disclosures for employment vetting services. If you require a disclosure for employment purposes, please contact Disclosure Scotland on: 0870 609 6006 or via their website www.disclosurescotland.co.uk. The current procedure whereby companies require individuals to exercise their rights under Subject Access provisions at section 7 of the Data Protection Act 1998, as a form of vetting, has been considered to be unlawful for many years and is against the spirit of the legislation. When Section 56 of the Act is implemented, it will become a criminal offence for the employer to ask individuals, as a condition of employment, to go through this process.

Third Party Applications

We can only supply your personal data to you. Should you be making an application on behalf of any other person (third party), please ensure you enclose an original letter of authorisation from that individual (the person who the information is about). Please also ensure that this individual has signed the application form and provided their identification documents.

Fee

Your Subject Access application will cost £10 (sterling). We accept cheques, British Postal orders and international bankers drafts, made payable to **The Metropolitan Police Authority**. We do not recommend the sending of cash by post. Please write your name, date of birth, and address on the back of your payment in **BLOCK CAPITALS**.

Proof of identity

The MPS needs to be satisfied that you are who you say you are. Consequently Section 2 asks you to provide evidence of your identity and address by supplying copies of at least two official documents which between them provide sufficient information to prove your name, date of birth, current address and signature. *For example, a combination of driving licence, medical card, birth / adoption certificate, passport, utility bill (dated within the last 6 months) or bank statement (dated within the last 6 months)*. (Please note: if sending either a driving licence or passport you must also submit a utility bill or bank statement less than 6 months old – we do not accept a driving licence and passport sent together.) We reserve the right to request original documentation in some cases. All original documents will be returned by post.

Address Details

You are asked to provide proof of your residential address as stated on this form. This is the address where your information will be sent unless an alternative delivery address has been provided on this form at the time of making your original application.

If you currently use a Post Office box address as your main address for receipt of mail and consequently do not have proof of address as listed above, please supply copies of the Post Office box contract agreement or billing details to support your application.
